Round 3 of the Southern QLD Waterski Series saw some of the best performances from both young and not so old skiers. The L-Class event held at Brauer's Lake in Helidon put on some great conditions over the 2 day event. We thank Ron and Lyn for their continued support of the Southern Region Series and waterskiing community.

Over the weekend some great scores were posted by Kimberly Doss, Will Mann, Alex Rose, Tayla Bell, Murray Mitchell and Gus Mitchell who all progressed up a division with Will and Gus bypassing division 5 and going straight to division 4. This will certainly cause a stir with a few of the division 4 residents!! Another rare moment occurred in division 6 this weekend, with both Tayla and Gus achieving the maximum score of 28/28, running all 4 of their passes despite the increase in speed.

The over 45 Men's QLD state record was improved by Paul Sheehy achieving 3.5@12m in the first round and 4@12m in the second round. This record was set by Neil Petersen at the Round 2 event at Isis Ski Gardens last month. It will be an interesting year to see where this record ends up with Paul and Neil skiing well, closely followed by Mark Demartini who also came close to the magic number this weekend.

Additional prizes for the weekend went to Tayla Andrews and Denni Purcell. Tayla, a new comer to competition waterskiing was awarded the Rubber Jungle Skier of the Weekend prize and Denni took out the photo competition with a photo of World number 6 Joel Howley posing with a few of the juniors camped on site. Thanks for coming out Joel and building some excitement with the kids!

Another huge thank you goes to Sarah Loughlin for all her hard work with the social media updates and most importantly promoting our sport to sponsors who provide some excellent prizes.
