

THAT'S A WRAP

ROUND 4- SOUTHERN REGION

RESULTS:

Round 4 of the Southern QLD Waterski Series held at Stanthorpe over the weekend saw many new comers to the sport and challenged a few of our top.

Weather conditions made skiing difficult but our guns showed why they are positioned where they are on the Australian rankings. A last minute stroke of genius by our event organisers to move the slalom course from its usual position at the council park over to a wind blocked pocket near the Sommerville Valley Tourist Park proved a great decision!

This event saw a few locals venture out to take on the challenge of the slalom course in division 6, as well as a few new others. Unfortunate for some (our div 4 residents) there were a number of div 6'ers promoted straight out of the beginner division and ready to take on some faster speeds. Wilbur Moloney was one, bumped straight to div 4 and with his scores from the weekend (1@16m) will nominate for div 3 at his next event. Luckily for us and his great uncle Marty Purcell, Wilbur is from the southern states and is unlikely to venture back to QLD for the remainder of the season.

Skier of the weekend went to local skier Isobel Conroy and the #waterskiqld photo contest was taken out by Paul Nicholson with a photo of his dog Tia.

Well that's it for now, keep your eye out for the nominations for the next series event at Tinana and the 2nd round of the Summer Swerve at Lake Kurwongbah.
