

WATERSKI QLD RULES

DIVISION 6 - MINI COURSE RULES

- The skier chooses single or double skis and speed to suit their weight and ability
- Enter through the gates and ski around the mini-course buoys and out the gates as a minimum to keep scoring. Ski as close as possible to or around the big course buoys, for maximum scoring
- Each Division 6 skier is guaranteed 4 passes per round
- Skiers are given a score for each buoy completed. Turning just outside the mini course buoy is worth .5 and turning the full course buoy is worth 1 point. Scores of 0.6; 0.7; 0.8; 0.9 are also given as the skier gets wider than the mini course buoy, but not yet around the full course buoy
- Once a skier has failed to go around a mini course buoy the scoring stops for that pass
- Start gates are optional but worth 1 point if skier skis around first mini buoy. The end gates must be completed to gain a score for the 6th buoy
- The maximum score for each pass is 7 points. The scores for each pass is added together for a total score. When a skier runs the full course the speed will be increased for the next pass. (Scoring is the same for single or double skis)
- A skier skiing on doubles only needs to get one ski around buoys to score
- Once a Division 6 skier has successfully run the full course 3 times, they move up to full course (Division 5).
- If a skier using trainers (skis tied together) completes 3 full passes the skier will stay in division 6, but their ski ties will be removed. Once a skier has run the 3 passes on doubles, they can then stay in division 6 but only to ski on a single ski. Alternatively they can progress to Division 5 on doubles
- After the first pass the boat judge reserves the right to increase or decrease the speed

DIVISION 5

- As a transition into Division 5, at the skiers first 2 tournaments they are eligible for a second chance. If the skier falls or misses a buoy on their first pass only, they will be taken to the other end and allowed to have another chance. Their score will be the best score of either pass. This will only be for 2 tournaments as a transition period to div 5.
- Any skier wishing to use second chance must notify tournament director on nomination request or prior to their Divisions starting
- Any rating score will not be counted on second chance

DIVISIONS 4

- No consideration for a skiers maximum speed for age group is given in Division 4 or lower

DIVISION 3-1

- A skier's maximum speed for their age group will be considered in division 3, 2 & 1.
 - If the max speed pass (49/52/55/58km) is completed, then the skiers score @ 16m gives them the lead over anyone skiing at a higher speed (55/58k) @ 18m
 - If two skiers ski to their maximum speed, the skier with the higher buoy count will win, even if it is the slower speed (5@55km – O35M will beat 3@58km U17B).

GENERAL RULES FOR REGIONAL SERIES EVENTS

- All divisions are run as per the IWSF and TWSA rules and guidelines
- All participants including but not limited to, marshals, judges, skiers, boat drivers and officials, need to be financial members of WAWA (formerly AWWF)
- At the completion of the tournament and at the Chief Judge's discretion, a skier may apply for a ratings round for the sole purpose of obtaining a national or state rating. This score will not be used for any other purpose other than to obtain ratings
- Any skier not scoring within their divisional qualifications, for a full season (not calendar year) can drop back a Division. If the skier obtains one score above that division ratings, the skier is moved back up a Division
- No consideration of maximum speed for age groups is given in Division 4 or lower, however is considered for divisions 3, 2 & 1.
- A skiers start speed may not exceed that of the Division (49k in Division 5, 55k in Division 4, etc)
- Any new skier to division 6 who runs the full course in first round will automatically go up to respective division at which speed was reached by the skier
- There are to be three rounds of slalom and two rounds of trick and jump, for each regional series event, if possible. If nominations are too high then two rounds of slalom and two rounds of trick and jump. There may be variations to this depending on the site
- Scoring is to be accumulative of two rounds, or best score wins
- Nominations must be called for at least ten days prior to tournament starting
- Running order to be made available at least two days prior to tournament
- Any trick score which is a national rating is to be verified by WSQ Chief Trick Judge
- Tournament results to be posted on website asap after completion of event

ELIGIBILITY FOR STATE & NATIONAL TITLES

- Ratings for State Titles must be achieved in events prior to State Titles. Ratings for State Titles are as per TWSA 3rd Event Ratings noted in the TWSA Policy Administration & Rule Book
- Ratings for National Championships must be achieved in events prior to National Championships. Ratings for Nationals are as per National Ratings noted in the TWSA Policy Administration & Rule Book
- When nominating for the State Titles, skiers must be a current Queensland member of WAWA. Skiers who have not skied in at least two regional series events throughout the current season, are not eligible to win or place at State Titles. Skiers who are members of other states may ski in WSQ State Titles but cannot win or place. No interstate skier is to take the place of a Queensland skier
- When nominating for the National Championships, skiers must have achieved their rating twice in the past two seasons, must be a current Queensland member of WAWA, and must compete at WSQ State Titles. Exception to pro skiers who are on the circuit and those who have been approved Dispensation

NOTES

- When nominations open for the National Titles, a skier who was unable to ski at WSQ State Titles, may apply in writing to the State Committee for dispensation. The State committee will discuss the dispensation and notify the skier in writing of the decision.
- Waterski QLD, including all sanctioned events, tournaments, officials and members will adhere to the Waterski QLD, TWSA, WAWA & IWWF rules and regulations that govern Tournament Waterskiing
- Waterski QLD reserves the right to enforce disciplinary action, when rules and regulations are not followed correctly
